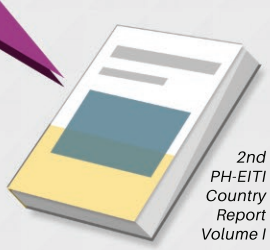
DATA ON COAL

Despite the non-participation of Semirara Mining and Power Corporation (Semirara), the largest coal mining company in the country, the following information were obtained from the government's reporting template and Semirara's audited financial statements:

Agency	Revenue Stream	Amount with respect to Semirara (PHP)
BIR	Corporate Income Tax	-
DOE	Government Share in Production	1,304,961,185
LGU	Real Property Tax	6,665,754

Source: 2nd PH-EITI Country Report, Volume I, Table 37., p.80.

Region VII has the largest collection of payments from mining companies, accounting for 31% of the total LGU collections.



2nd PH-EITI Country Report Volume I

THINK ABOUT THIS:

- Do you know where the collections from the mining companies in your community have gone?
- Do you know how projects funded by mining companies are determined?
- Do you know how you can participate in monitoring the revenues of your locality?
